

Conley's UMC Weekly Prayer Focus – Easter Week

Start a conversation with God about **Global Concerns and World Peace**

Begin with a *thank you* for the blessings you have already seen for His provision and presence. Tell Him your thoughts and add your requests to this topic. Then, Listen for God. Pause and breathe and listen for a small, still voice, an intuition, or a verse that pops to mind, a response from the Almighty who loves you as a dear child. End the prayer time with a simple Amen (may it be so) or your choice of acknowledgement that God is listening and faithful to answer.

Global Concerns and World Peace

“My dear brothers and sisters, understand this: Everyone should be quick to listen, slow to speak, and slow to anger, for human anger does not accomplish God’s righteousness.”

James 1:19-20

Almighty God, creator of all, we confess that we often react to an incident or the words of another person or nation in a way that does not honor you and often causes harm to others. Help us to seek your wisdom and guidance when dealing with intense situations, before we respond. We pray for all people who have been affected by natural disasters, civil unrest and war. Bless them with comfort and the peace that only you can provide. We lift up our leaders for wisdom and discernment in all that they do.

Governments and ruling parties may change, but the mission of every Christian remains the same; love God and love others. (from The Pour Over)
